YESTERDAY IN THE COURTS

DAMAGE SUIT AGAINST MERIDEN ELECTRIC COMPANY REGUN.

Nominal Damages Awarded in Suits Against the N. Y. N. H. and H. R. R. Company—A Well Known Oysterman Arrested—The "Yellow Kid" Figures in a Suit—Students Fined.

The case of Daniel R. Budd against the Meriden Electric Railway company was called in the supreme court yesterday morning. The suit was for damages for the death of Lizzie M. Budd, a twenty-one months' old child who was run over on the Meriden electric railway August 30, 1895.

The father of the child alleges that the child would not have been killed if it had not been for the negligence of the company. He contends that the company should have had its cars equipped with fenders, and that because they did not have fenders the company is responsible for the death of his child. He also alleges that the company was negligent in not having appliances on its cars which would bring them to a standstill very quickly; and still further that the motorman was negligent in not looking ahead and seeing the little one.

The plaintiff is represented by Judge Henry Stoddard, Attorney Roger S. Baldwin and Attorney Dryhurst of Meriden. Attorney S. C. Loomis alone appears for the railroad company. He has a large number of women witnesses. Dr. Francis Bacon will testify as an expert for the defense.

NOMINAL DAMAGES AWARDED.
In the superior court Emma E. Goss, as administrator on the estate of her husband, Christopher G. Goss, was yesterday granted nominal damages, \$25, for the death of her husband. "Mr. Goss was killed while inspecting cars at the depot on July 4, 1894."

Nora Dalley was allowed \$25 and costs against the Consolidated road for the death of James Dalley, who was killed on May 6, 1895. He was working for the railroad company and in a collision was killed.

THE DEMURRER SUSTAINED.
A demurrer to the plea in abatement was yesterday sustained by Judge Shumway in the case of Ann Keane, as administratrix of the estate of her husband, against Bridget Barry of Wallingford, and Catherine and John J. Meyers of the same place, for \$1,000 damages and the conveyance of a piece of land, which it is claimed the defendants secured from Mr. Keane by undue influence while he was living with them and incompetent to dispose of his property. The plea in abatement was on the ground that the plaintiff was not the legal administratrix of her husband's estate, as she was appointed in New Haven when her husband was a resident of Wallingford.

In the suit of the Masonic Mutual Benefit association against Rhoda M. Tolles, the motion to strike out part of the complaint was denied.

Court of Common Pleas—Judge Hotchkiss.
In the common pleas court yesterday a judgment by default was given to Edward F. Cook of Wallingford against William F. Arnold of Bridgeport on a note of \$152.65.

Probate Court—Judge Cleaveland.
The will of the late Professor James L. Ensign has been offered for probate and a hearing on its admission will be held on November 19. B. Franklin Arthur of Holyoke, Mass., is named as executor in the will and he will probably be appointed by the court. What the estate is valued at is unknown, but a disclosure of some sort will be made when the bond is fixed next week. There are no public bequests.

ASSIGNMENT WITHDRAWN.
The creditors of Eugene J. Donnelly, the George street saloonkeeper, have accepted the terms of a settlement offered by him and the voluntary assignment will be withdrawn.

Court Notes.
Frank T. Lane, the well known oysterman of City Point, has been arrested by Bailiff Catlin of the United States court on the charge of obstructing the channel of navigable waters.

United States Commissioner Wright fixed the bonds at \$1,000, which were furnished by ex-Judge Henry Stoddard.

The arrest is the result of a controversy between Lane and the firm of Smith Brothers, also City Point oyster dealers. Several months ago the harbor commissioners gave Lane a permit to build a pier near his oyster house at City Point.

Afterwards the harbor commissioners gave the Smith Brothers a permit to deepen the channel at the same place, and revoked the permit to build a dock previously issued to Lane.

The question whether Mr. Lane has the right to build to the harbor lines without the permission of the harbor commissioners will be decided in the United States court.

THE "YELLOW KID" IN COURT.
Judge Shipman, in the United States

circuit court, has issued an order restraining Nathaniel A. Williamson from introducing "Yellow Kid" features in his show, "Hogan's Alley." Mr. Williamson was cited to appear before Judge Townsend in the United States circuit court in this city November 28 to show cause why an injunction should not be issued.

CHARGED WITH NON-SUPPORT.
Charles H. Williams was charged with non-support in the city court yesterday. His wife testified that he had given her but \$4 in three weeks, and that she had been compelled to buy him clothes out of her own money earned by dressmaking. Williams said he had given his wife money every week, but his story did not have the weight of truth and he was ordered to pay his wife \$4 a week for twenty-six weeks and furnish a bond of \$150 or go to jail for sixty days.

COMMISSIONER Doolittle Sued.
Another suit has been brought against Commissioner John A. Doolittle. This time the suit is brought by Attorney Tyner in the interest of N. Acunto, a baker, who claims Doolittle owes him \$32.50 for bread and macaroni and \$100 is asked for costs.

FINED FOR BREACH OF PEACE.
Edward T. W. McNamara of Bright street was found guilty by Judge Cable in the city court yesterday morning of a breach of the peace on his brother, Daniel McNamara, and the latter's wife. It occurred at 12 o'clock Tuesday night at Daniel McNamara's saloon, 186 East Chapel street, and according to the testimony no provocation was given. The prisoner was fined \$25 and sentenced to three months in jail, but he appealed under \$200 bonds.

CARPENTER SUED FOR DEBT.
Dresner & Son, painters, have brought a suit for \$300 damages against Harry Wells, the Fair street carpenter, and Attorney Tyner has garnished money in the hands of Abraham Frank & Son to cover the amount of indebtedness.

A TEN-CENT THEFT.
Daniel Callahan was fined \$2 and Judge Cable yesterday morning for stealing a bronze ornament from a ten-cent lodging house on Fair street kept by a woman generally known as Rosy. The value of the ornament was about ten cents.

PRESSGASSED ON THE CAMPUS.
Jacob Halpin was fined \$1 in the city court yesterday morning for trespassing on the Yale campus after being repeatedly ordered off. Special Officer Simon made the arrest.

M. W. BURWELL SUED FOR \$225.
E. M. Woodward, the coal dealer, through his attorney, G. J. Tuttle, has brought suit against Merritt W. Burwell for \$225.

GUILFORD SOCIETY AROUSED.
Guilford is in a fever of excitement over the suit of Miss Marie C. Dudley against Stephen J. Bradley, Jr. Both belong to good Guilford families. The young lady is nineteen years old and Bradley is twenty-three years. She alleges that he is the father of her child, born a few weeks ago, but he denies paternal responsibility. The trial was set down for Tuesday, but was postponed until December 5, because the girl could not appear in court. Attorney J. P. Goodhart of this city appears for the defense and H. G. Newton of this city for the prosecution.

A SERIES OF SONG RECITALS.
Dr. Griggs, of Center church quartet, who has given a number of recitals and lectures of various descriptions, announces a series of two song recitals, the first of which occurs at Warner hall November 23. His program will include recitals of Schubert, Franz, Schumann, etc.

The centenary of Franz Schubert, the king of German song writers, soon to occur, will be recognized by a liberal proportion of Schubert's great songs on the program of the recital which Dr. John C. Griggs will give on the evening of November 23. His famous "Group from Tartarus" will be given, as well as his strong setting of Goethe's "An Schwager Kronos." Other features of the program are Schumann's "Two Grenadiers" and the "Toreador's Song" from the opera of Carmen. This latter, which is Del Puente's great song will remind New Haven music lovers of the altogether remarkable performance of Carmen, which was given under Ardit at the Hyperion, then Carl's opera house, some ten years ago, the east on that occasion including, besides Del Puente, Ravelli and Minnie Hawk.

A SUDDEN DEATH.
Ann Pindar, aged sixty, died suddenly early yesterday morning at her residence, 58 York street. Her death was due to heart failure and she had for some time been seriously troubled with bronchitis. Investigation was made by the medical examiner, Dr. M. C. White.

TO RETIRE ITS DEBENTURES.
An Increase of Southern New England Telephone Stock—Plant to be Improved.

A call was issued last evening to stockholders of the Southern New England Telephone company to meet next Tuesday, November 17, to vote upon the question of authorizing the company to increase its capital stock from \$2,000,000 to \$3,000,000. The plan of the company, however, is to issue to stockholders at \$90 the new shares of \$100 each in the ratio of one to three of the 16,750 shares representing \$1,675,000 of capital stock now outstanding, thus increasing the capital stock to \$2,233,500. The company will use the proceeds of the new stock in retiring next February its convertible 5 per cent debentures amounting to between \$200,000 and \$400,000 and in extending and improving its plant. The returns for ten months of the present fiscal year indicate that the company is earning about 10 per cent, a year upon its outstanding stock. The ten dollars conceded to subscribers to the new stock is treated by the company as a distribution of surplus, and at the existing market price would make "rights" worth a little more than \$3 each.

THE WEATHER.
Rainy To-day and Colder.

Observer U. G. Myers said yesterday morning that there is a heavy rain storm over the lake region, moving eastward, which will probably cause heavy rains throughout Connecticut during the next twenty-four hours. It will be followed by a cooler wave.

LATEST FAIR HAVEN NEWS

GRACE EPISCOPAL CHURCH WILL BUILD A \$5,000 PARISH HOUSE.

Meeting of Fortnightly Club—Initiation at Fort Hale Lodge—Riverside Park Races Postponed—Other News of Interest.

A special meeting of the parish of Grace Episcopal church was held Monday evening to prepare plans for building a parish house. This enterprise has been under discussion for years and Monday night it was voted to build at once. The parish has a fine site for the building on Exchange street front of the church property. A building committee was appointed, consisting of Rev. Percy Barnes, A. J. Ward, R. W. Keast, Dr. E. K. Roberts, L. A. Humiston, S. J. Gilbert and James K. Jones. Rev. Mr. Barnes has already drawn rough plans of the proposed parish house and these plans will be perfected by an architect. The walls of the parish house are to be of East Haven red stone, the same as the church edifice. The building is to cost about \$5,000. The parish for years has much needed such a building and the members are enthusiastically interested in the enterprise.

The unfinished special race at Riverside park between horses owned by B. S. Bradley, E. M. Tuttle and George Dayton has been indefinitely postponed.

The meeting of the Fortnightly club held at Mrs. Doolittle's on Clinton avenue opened with a roll call and quotations from Tennyson given by each member. The subject of the club, chosen for its winter study is "Russia," its government, and its social aspect of the past and present. Excellent papers were read at the last meeting by Miss Kate Tuttle, whose subject was "Russia and the Tartar," by Mrs. C. B. Adams, whose paper dealt with the "Influence of the Tartars of Russia," and Mrs. A. I. Boyer, who read a paper on "Muscovite Russia," which was illustrated by a map. There are now about twenty-five members. The next meeting will be held at Mrs. Jennie Seavey's on Lombard street.

R. C. Lowe, building contractor, has opened an office in his new house on Grand avenue.

Attorney J. Birney Tuttle, formerly of Fair Haven, has been mentioned as a candidate for prosecuting attorney of the court of common pleas in place of Attorney George M. Gunn, democrat.

Colonel T. F. Callahan of the Eleventh ward, who has been spoken of as a democratic candidate for the board of selectmen, says he is not a candidate for any office.

At the last meeting of Fort Hale lodge, N. E. O. P., Rev. Percy Barnes was initiated into membership. There were about seventy-five present, including Grand Warden L. P. Deming, Grand Secretary Grinnell and members of other local lodges. Speeches were made by several visitors and refreshments served. There are fourteen applications pending and the lodge is growing rapidly.

The Ladies Aid society of Grace church will meet this evening with Mrs. E. K. Roberts. The Daughters of the King held their meeting on Tuesday with Mrs. H. H. Nettleton, Lloyd street.

W. H. Kellogg has gone to Syracuse, N. Y., where his mother, Mrs. Betsy Kellogg, is very ill. Mrs. Kellogg went out to visit her daughter a few weeks ago. She is subject to heart trouble and during a sudden attack she fell down stairs and fractured a rib. Owing to her advanced age, apprehension is felt in regard to her recovery. She is a sister of Harvey and William R. Hemingway.

MRS. JOSEPH COOK TO SPEAK.
The ladies' auxiliary of the Grand avenue Congregational church will meet with Mr. Willis Hemingway, on Quinipiac street, this afternoon at 3 o'clock. Mrs. Joseph Cook will address the meeting. All contributors to the woman's board are invited.

AT GRAND AVENUE CHURCH.
Miss Margaret Goodyear Smith is to give a recital of songs and readings at the Grand avenue Congregational church next Thursday evening. She will be assisted by Mrs. Mary Burk Fitzgerald, Frank Edgar and others. Miss Smith is one of Mrs. Fitzgerald's most promising pupils and in addition to her readings, will sing little Miss Muffet's song, "Hush Yer Business—An' G'wan," in which she is said to be remarkably clever. The following are the patronesses: Mrs. J. Lee Mitchell, Mrs. J. B. Smith, Mrs. E. C. M. Hall, Mrs. Henry Manville, Mrs. Charles Bates, Mrs. F. Howard Hemingway, Mrs. Walter Graham, Mrs. William Coburn, Mrs. Jean-Pardoe Clark, Mrs. J. P. Studley, Mrs. Louis Bradley, Mrs. John Hull.

WILL RETURN TO HAWAII.

Mrs. Damon, who has been visiting in this city.

Mrs. Damon, who has been visiting her cousin, Mrs. Smith of this city, wife of ex-Senator Carlos Smith, and who had with her a younger son, has gone to Minneapolis. After a stay there she will go to San Francisco, from which city she will sail for her home in Honolulu, Hawaii. Mrs. Damon is the wife of the minister of finance of the Hawaiian government. Mr. Damon occupies this position under the present government and also occupied it under King Kalakaua, who visited New Haven and was entertained by the city some twenty years ago, and was tendered a reception at Hon. N. D. Sperry's residence. He had also the same official position under the reign of Queen Liliuokalani. Mr. Damon is also a prominent banker of Honolulu.

Mrs. Damon is a Connecticut lady, born in Northford, a few miles from this city. Her father, Rev. Dwight Baldwin, was a missionary in the Hawaiian Islands for many years. Her brother graduated at Yale and her eldest son graduated at Yale last year and is now on a tour of the continent. Previous to her departure from New Haven, Mrs. Damon gave a dinner at the Hotel Majestic to the seven Hawaiian students at Yale.

Good Blood

Is essential to health. Every nook and corner of the system is reached by the blood, and on its quality the condition of every organ depends. Good blood means strong nerves, good digestion, robust health. Impure blood means scrofula, dyspepsia, rheumatism, catarrh or other diseases. The surest way to have good blood is to take Hood's Sarsaparilla. This medicine purifies, vitalizes, and enriches the blood, and sends the elements of health and strength to every nerve, organ and tissue. It creates a good appetite, gives refreshing sleep and cures that tired feeling. Remember,

Hood's Sarsaparilla

Is the best—in fact the One True Blood Purifier. Hood's Pills take, easy to operate, 25c.
